

SONATA Sconce

Peter Baker Photography

Taking a cue from nature, artist Laura Spector distills the organic form to its sculptural essence, to create the lithe and lyrical *Sonata* wall sconce

Rendered in bronze, polished to a luminous cadence and topped with a rough hewn semi cylinder moss shade, the *Sonata* is a rhapsody of textures both rustic and refined.

Sconce : 32" L x 8" wide
Shade : 14" x 10" l x 6" d by Cynthia Beebe, BB Shades
Lamping: 40 watt/120 volt candelabra base bulb
UL listed and ADA compliant
